**SUBJECT: EXTENSION OF DEADLINES FOR FEE PAYMENT AND
UNITS REGISTRATION**

This is to inform all the concerned students that considering the prevailing situation particularly what parents and guardians have gone through, occasioned by COVID-19 pandemic, the University Management has given special consideration to the appeal by KUSA leaders to extend the fees payment deadline.

It has therefore been decided to extend the deadline for fee payment to **11th February, 2021** and **the registration of units to 15th February, 2021**. Please note that in order to allow other semester activities to proceed uninterrupted, this is the **final fees payment deadline**.

Thank you.
